

British Society for Antimicrobial Chemotherapy
in association with the Veterinary Laboratories Agency
Antimicrobial Resistance: From Farm to Fork and Beyond...
Thursday 23 September 2010
University of Warwick, Coventry

CPD accredited

Programme

- 09.00 - 09.05 **Welcome**
Peter Borriello, VLA & Laura Piddock, BSAC
- 09.05 - 09.45 **The Farm, the Fork and Beyond**
Antimicrobial resistance: current perspectives
Gary French, London
- 09.45 - 10.15 **Biocides**
Biocides and biocide resistance - an overview
Jean-Yves Maillard, University of Cardiff
- 10.15 - 10.40 Biocide resistance research / evolution of antibiotic-biocide cross resistant *Salmonella* Typhimurium
Mark Webber, BSAC / University of Birmingham
- 10.40 - 11.05 Coffee
- Bacteria – ESBLs**
Chair: John Threlfall, HPA, London
- 11.05 - 11.25 Cephalosporin-resistant salmonellas in animals in England and Wales
Chris Teale, VLA
- 11.25 - 11.45 ESBLs – what have we learned about the detailed epidemiology of ESBL *E. coli* on cattle farms?
Nick Coldham, VLA
- 11.45 - 12.05 ESBLs – the medical perspective
Neil Woodford, BSAC/ HPA
- 12.05 - 12.25 ESBLs in livestock – The Dutch experience
Dik Mevius, Central Veterinary Institute, The Netherlands
- 12.25 - 13.30 Lunch
- Bacteria – Resistance in bacteria from food-producing animals**
Chair: Professor M Woodward
- 13.30-13.55 Is 4, 5, 12:i: the next MDR epidemic European *Salmonella*?
John Threlfall, HPA, London
- 13.55-14.20 Resistance in *Campylobacter*
Laura Piddock, BSAC / University of Birmingham
- 14.20-14.45 MRSA ST398 in pigs – The German experience
Bernd-Alois Tenhagen, BfR, Germany
- 14.45-15.10 Coffee

Assessing Risks and Emerging Resistance Problems

Chair: Peter Borriello

- 15.10-15.30 Antimicrobial resistance risk assessments – key findings from the last ten years
Emma Snary, VLA
- 15.30-15.50 Resistance in Mycoplasmas
Roger Ayling, VLA
- 15.50-16.10 Parasites - anthelmintic resistance in parasites.
S Mitchell, VLA
- 16.10-16.30 Swine dysentery – the crème de la crème of resistant animal infections?
Ben Strugnell, VLA
- 16.30-17.00 Discussion and closing comments
Peter Borriello, VLA

REGISTRATION FEE £90 + VAT

This session is complemented by other sessions during the VLA and GVS/AGV National Conference. This includes the workshop on 21st Century Infection Management on 22 September (organised by the Veterinary Medicines Directorate) and the foodborne zoonoses session on 25 September (organised by VLA and the Department of Health and the Food Standards Agency).

**For further details including full programme
and registration fees, please go to
